## Chapter 1 by JMac\_4796

I was in the lab, we were testing a human with some kind of medicine to cure the person when we gave it the medicine the person started to freak out like he was having a seizure or something so we try to sustain it in the glass box it was trying to get through the glass to try and kill us so i hit the evacuate button then it broke through the glass it got some of the scientists. I escaped and got out. CONTINUE THE STORY
